James Day

Ronnie did not know J.D.
Came by Edna's house at 4:30 PM
10/10/95

Ronnie made of feds. Ronnie met Day
a few times. Day was always doing
something different. Tried modeling clothes.
Day always sounded like he was nervous.

Ted was 18-20 yr old.

Ted wanted Janet Blahely. He passed
Joy up to Ronnie.

Ronnie was 17 - Joy was 15.

Ted rented a trailer from Mr. Capps
on Hemphill Rd. Go out 421 - exit onto
62; take a left, then the next left is
Hemphill Rd. A few nice houses & some trailers.
Joy Hedgecock lived in a sweet nice house
on Hemphill Rd. with her parents.

Joy is probably 23 now or named
Joy Dwyer. Later Joy & Ronnie met
and admitted they had changed their
lives. Joy got pregnant a third time.
She married Dwyer - a deaf man.
She got fat & ugly. Her mother died in
a drug-related car wreck.
