Dear Mr. Ingold:

I hope this letter finds you doing well. I am writing to request a complete and true copy of any and all records you made in connection with my case. To include a copy of your appointment by the court, a copy of any type of agreement made with my counsel, outlining your duties, a copy of any bills or expenses that incurred in the investigation of my case and a copy of your fees charged.

I would not trouble you, but due to the fact that your cover sheets were removed from your reports and your interviews being dismembered I can not distinguish your reports from the other paper work.

Thank you for your time and assistance in this matter.

Sincerely,

Ronnie Lee Kimble
