who where work how long do
do you know d
how do you know
did you talk to d concerning the death of his siter in law
how did he take it
do you know a mrs. jackson
come a time when there was a conversation between you and
ronnie where mrs. jackson was present
remember that conversation
did ronnie kimble ever say during that conversation that he
was the last person to see v alive
where had you heard that statement that rk was the last
person to see v alive
did you mention it during the conversation overheard by
jackson

how did the statement "last person to see her alive" come up
in your interview by invest.
did invest appear to be taking notes
were you ever given a statement by invest. and asked to
check it for accuracy and verify it
what did the statement say
what did you actually say

how can you be so sure of what you actually said to
detectives (husband told her to write it down)

go over statement

WHAT KIND OF MARINE WAS RONNIE

ronnie sd. pistol was found on the floor ***det. church
told her d was last to see her alive--nothing missing except
a necklace
***if it was your daughter wouldn't
****husband toldher to take notes that night
they told her that he was not cooperative
church told her that ronnie was the last person to see her
alive as he was leaving

she told ronnie in front of jackson that they told her last
person to see him alive
ronnie was surprised
r asked for a statement

jackson sd she can't remember

don't have the money and to get lawyer and didn't do
anything
cops said never gave a statement
mother in laws and wife
came in and talked abt. this stuff
worked 2 or 3 years
she did all buying
in almost ev. day
very upset abt. it
told det. no way ever make me believe
things he said to me I never believe it
good old n.c. boy
good upbringing trustworthy religous
talked abt. wife and family
seemed to get along with others
did a good job and very reliable
proud to have him in my family
never saw him angry
very upbeat never heard him talking abt. anybody else behind
back
happy working there
hated when we lost him
when they came down to harrass him
after hurricane helped people
jumped car took over toservice station to get tire fixed
never believed
last person alive

couldn't work at same yard at lyles
lot of times to talk one on one

looking at him as suspect
complained abt. investigators
missed the obvious hadn't even talked to him
borrowed his brothers truck
left the receipt on seat
15 20 mins

all enlisted men told that if they have a prob. priviledge

3rd time they were going to question
he was willing to go talk to them
ron cautioned him abt needingn a lawyer
told him he needed a lawyer
prayed for enlightenment and guidance

other times came into pray

came and talked abt. july interrorgation said he was going
sd. he had nothing to hide
asked if he had a lawyer

how would you evaluate r as marine

he had been there that day and had left a receipt
jusdt focusing on ted

first time prayed for hte family
second time investigators were concern was for his brother
didn't want to not cooperate

talked a lot abt diff. things faith
issue of being called
I would get a lawyer
trying to indict his brother
went off base for questioning
asked abt that get a lawyer
ronnie's main concern was focus on brother
ronnie would know
