Dear Mr. Kimble:

Thank you for your letter dated April 27, 2000.

Because I am all the way down on the coast, you should consult with an attorney either in Guilford County or counties adjacent to Guilford.

Additionally, because the law imposes statutes of limitations-deadlines within which your claim must be filed or become forever barred-if you still want to pursue this matter, you need to contact another attorney as soon as possible.

Very truly yours,
